

BRIAN ALEJANDRO DELGADO-ORTEGA

delgado@alumni.usc.edu | (970) 366-8832 | briandelgadoortega@gmail.com

EDUCATION

University of Southern California, Viterbi School of Engineering

B.S., Industrial and Systems Engineering

Aug 2021 – May 2025

Los Angeles, CA

Relevant Coursework: Data Analysis, Probability Modeling, Optimization, Supply Chain Planning, Discrete Systems Simulation, Engineering Project Management, Microeconomics, Accounting

Glenwood Springs High School

High School Diploma

Aug 2017 – May 2021

Glenwood Springs, CO

WORK EXPERIENCE

Roaring Fork Property Group

Property Management Crew

Dec 2022 – Mar 2026

Aspen, CO

- Designed standard operating procedures for maintenance, property management, and housekeeping departments.
- Performed property maintenance across 70+ luxury estates (6,000–15,000 sq ft), coordinating with vendors and clients.
- Managed inspection scheduling and property readiness for ultra-high-net-worth clientele under strict quality standards.

Otto's European Auto

Partner

May 2024 – May 2025

Los Angeles, CA

- Established a dual-channel distribution operation for European performance parts, securing 5+ brand partnerships in 6 months.
- Generated revenue growth through competitive analysis, customer segmentation, and cross-selling to existing repair clients.
- Identified pricing and supply chain inefficiencies; negotiated directly with suppliers to improve margins and product mix.

Voces Unidas

Data Clerk & Community Volunteer

May 2019 – Aug 2022

Glenwood Springs, CO

- Designed community surveys and analyzed quantitative data for the Colorado Department of Community Support Services.
- Produced resource-allocation reports directing funding and services to underserved communities across the Roaring Fork Valley.

A. Hernandez Construction Inc.

Laborer & Bookkeeper

May 2017 – Aug 2021

Aspen, CO

- Developed financial tracking systems in QuickBooks and Excel to automate invoicing, payroll, and receipt management.
- Maintained accounts for multiple clients, contractors, and employees across concurrent construction projects.

PROJECTS

Capitol Edge — Congressional Trading Intelligence Platform

capitol-edge-production.up.railway.app

Feb 2026

- Developed and launched a full-stack platform integrating congressional trades, options flow, SEC Form 4, and contract data.
- Designed the proprietary Capitol Edge Index (CEI) for ETF licensing on Flask/PostgreSQL with Stripe and Coinbase billing.
- Independently built and deployed ~6,000 lines of production code with hardened authentication, live since February 2026.

Envy Forged — Direct-Import Forged Wheel Brand

envyforged.com

Feb 2026

- Established a direct-import forged wheel business with a manufacturer in Taizhou, China, spanning 50 products in 5 categories.
- Independently developed and deployed the e-commerce platform with custom pricing, Stripe checkout, and order infrastructure.
- Managed the end-to-end supply chain, including manufacturer coordination, inventory, pricing, and fulfillment.

AbilityFirst — Systems Engineering Consulting Project

May 2025

- Diagnosed scheduling and communication inefficiencies across 10+ service sites for a 650-employee nonprofit organization.
- Conducted stakeholder interviews and translated findings into eight defined system requirements with organizational leadership.
- Recommended Microsoft Shifts with a phased rollout, role-based permissions, and risk mitigation strategies the org adopted.
- Delivered an executive report and presentation covering cost analysis, transition strategy, and a KPI framework.

SKILLS

Technical: Python, SQL, C++, Flask, PostgreSQL, SQLite, Railway, Stripe API, Excel (advanced), MS Project, QuickBooks

Analytical: Statistical inference, regression analysis, probability modeling, linear programming, discrete-event simulation

Operations: Workflow optimization, SOP development, project management, budgeting, contract management, vendor coordination

Business: Market analysis, competitive intelligence, customer segmentation, e-commerce operations, direct import sourcing

Languages: English (native), Spanish (native)
